

As many of you already know, #DreamRide2013 will be hosting over a dozen animal-related organizations at Dream Ride 2013 on Sunday, August 25th. These organizations dedicate countless hours and financial support each year for their animal-related causes.

To celebrate their passion for saving and enriching lives, the Hometown Foundation wants to give away \$20,000 and is offering the following challenge: *Between now and September 15, 2013 whatever funds are raised by each organization will be matched with a donation by the Hometown Foundation.*

In order to qualify, the animal-related organization must reach out to their communities to raise the funds, show verification of all monies raised, and have 501(c) 3-status. When those criteria are met, the Hometown Foundation will proudly match the amount raised by the organization. No one organization will receive more than \$10,000.

You can support your local animal-related organization by committing to adopt a pet, or by making a donation during the Hometown Foundation's challenge to any of the following Dream Ride participating organizations. See below:

Big Dog Ranch Rescue, Wellington, FL
